

July 10, 23

Dear Sir

I am 82 years old. Larry is a
truthful person. he could not
have done these things.
we believe in him on our
life. we believe in him
I've known him for many
years and he has always
been truthful about
anything and everything
he has ever said & done
and he is the best person
I have ever come across to know
I write this in honesty
and truth.
